

The Sierra Pastel Society presents

Mini-Workshop (4-HOURS)

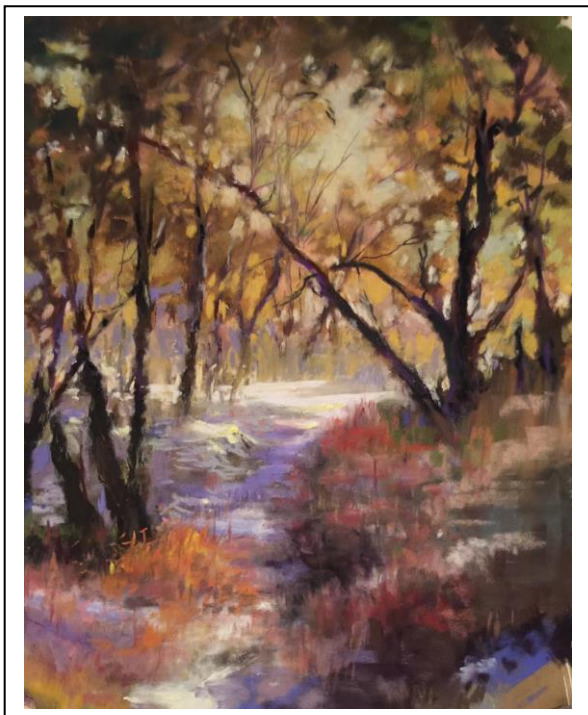

“Illuminating the Landscape”

SUNDAY, September 10, 2017

A WORKSHOP EXPLORING COLOR-TEMPERATURE
IN SETTING MOOD, THE IMPORTANCE OF STRONG
VALUES AND HOW TO HANDLE THOSE
“TROUBLESOME” GREENS.

By Internationally-
Recognized Pastelist

“Such an exciting time to be painting with pastel, and to be a part of the Pastel Renaissance that seems to be sweeping over the art-world. Pastel, with its brilliant colors and forgiving application, is a must for all artists if they wish to nurture their talent. This workshop and demo will focus on techniques used to achieve the illusion of light and its importance. Come prepared to work hard and have fun!”
